

Debate Club

Time

Tuesday 14:20 – 15:05 or according to the agreement

Room

B12

Content

Are you interested in honing your English speaking skills and broadening your horizon at the same time? Or do you just want to get past the fear of public speaking?

If so, this optional subject offers you the possibility to achieve this goal.

In our debate club, we usually meet once a week in order to both debate current issues and learn to voice our opinions in English. Two students act as 'co-teachers'.

On request, regular attendees will be awarded a certificate at the end of the school year.

This course also offers excellent preparation for national and international youth debating events such as the EYP or the EEYP. Course members have an opportunity to attend such events once or twice a year. Would you like to be a future SAMD delegate? Then this course is for you!

Target audience: 4th to 6th year students. (younger students with good English skills may join upon request)

This is a great way to earn some brownie points, too!

Feel free to join in!

Thanks for showing an interest!
